

ATTENTION PARENTS:

Family Economic Data Survey - Easily complete your student's free/reduced application online. Quick and easy and you get your results right away.

The online application option is available for all schools EXCEPT Corwin, Fountain, PSAS and Fulton Heights. If your child goes to one of these schools, a paper application must be completed.

If you are on SNAP, you do NOT need an application as your child will be directly certified through the state of Colorado.

The link for the application is:
